WASHABLE & REUSABLE FACE MASK

This modern, washable and reusable fashion face mask fascinates with its modern design and very high wearing comfort. The seamless design together with applied laser cut technology transforms the masks into a highly comfortable product with a nice feeling while wearing it in the mouth and nose area.

The high-quality polyester material enables a very smooth and easy breathing. Its elastic nature and adapts to the shape of different face forms, which is due to the light and stretchable material quality. This unisex mask is washable and thus useable multiple times. The color does not lose intensity after washing. The face mask is designed for long
